Getting Fit

This is very important to your enjoyment of the holiday. Being fit will help you stand the pace and may save you from injury. Start a get fit programme, maybe lose weight, go swimming, running or even skiing!

Artificial Snow Skiing

If you have never skied before we would encourage you to take a course at your local artificial snow slope. This will makes a big difference to your progress once on the holiday.

Final Payment

The balance of your payment is due two months before the holiday. We do not send a receipt at this stage. May we remind you that places not paid for by this time, may be cancelled, if there is a waiting list.

Final Information

This sheet should include all the information you need at the moment. We will post trip specific and general final information (including parking details) on the website 6-4 weeks before your holiday.
