

Ensuring your place next year

By setting up a standing order now towards next season's holiday, we give you a discount of £10/person and help you to spread the payments over 8 months. This may leave a small balance to pay two months before the holiday, depending on your choice and our prices!

You will need to confirm, by filling in a booking form, when making your choice of holiday. Until you book in this way, we cannot guarantee a place on a given holiday, even though the Standing Order may have commenced. The first £60 per person paid via standing order is non-refundable and non-transferable and the normal cancellation scale of charges applies.

We must receive this standing order form within one week of return from this year's holiday to give your bank sufficient time to set this up. This form must not be altered in any way.
