The previous page gives the time and place of our departure. If you intend to join us on route or in resort you must let us know. We may be able to pick up from one of the following: Clacketts, Cobham, Dover.

Return

Please be careful about making return reservations, as we cannot accept responsibility for any delays.

Documents

Remember your **passport** must be accessible during the journey! You will also need an EHIC card.

What to Bring

You will need a towel and tea towel. For ski clothing advice please check your initial information. You may like to bring a musical instrument, if you are willing & it is portable! For centre specific bedding requirements, see the previous page. Please keep your luggage to a minimum. If you have a helmet (now recommended by insurers) please pack it inside your luggage. We have some Bibles in resort if you would like to borrow one, otherwise do pack yours.

Food for the Journey

You may wish to bring packed food for the journey. It is possible to get a meal on the ferry and we will also stop for Breakfast and Lunch at motorway services so you can buy refreshments using a credit card or Euros.

Foreign Currency

As everything is included in the price you won't need much. We suggest you bring Swiss currency for hot chocolates up the mountain. A few Euros will be needed for breakfast on the outward journey.

Insurance

If you don't have your own insurance, we will have raised insurance for you with Insure for Travel. They may contact you to make sure you are happy with the policy. Please inform them of any pre-existing conditions.

Helping the Cook

This is part of the fun of a group holiday! This only happens for one breakfast and evening meal. It will not curtail your skiing. If you can bring some home-bakes, they will be enjoyed by everyone!

Special Diets

We want everyone to be well fed and the catering to run as smoothly as possible. If you have any special dietary requirements, please let us know in writing at least 14 days before the holiday.

Ski Classes

We will organise groups for everyone from beginner to expert. Our team is experienced in teaching groups at all levels and making it fun. We offer a 2-hour lesson for 5 of the days. There is also time to free ski each day. Skiing in groups is safer and much more fun, as we learn together.

Apres Ski

Our idea of the best form of Apres-Ski is a really good meal, followed by some form of entertainment. We also spend time each evening meeting together to worship God and study the Bible. Our aim is to discover more about Jesus Christ and the importance of the Holy Spirit, in living the Christian life.
